

# Cooper Middle School 2020-21 PTO Membership, Fundraising, Directory and Volunteer Opportunities (COVID-19 Edition)

Cooper Middle School (CMS) is dedicated to creating an enriching school community in which every student can succeed--whether in-person or through distance learning. With your help, CMS will continue to provide an outstanding environment in which our students can learn and grow. **Please show your support by joining the PTO. Your additional financial donation will help fund programs for students and staff. Historically, these have included clubs, theater, assemblies, field trips, technology, the arts, staff development and appreciation, and much more.** The school directory will be available via the mobile app. Information hard copies will be provided when available (one free school directory, if available, is included with your PTO Membership (additional copies may be available for purchase for \$5 at a future date).

**Yes-things will look a bit different this year. Yes-we will all have to be a little more creative. But the PTO remains dedicated to working with CMS staff to provide the Cooper community with high-level resources and opportunities to stay connected and engaged as we embark on this school year journey together.**

As the PTO prepares for the new school year, the proposed budget and volunteer opportunities continue to evolve to meet the needs of Cooper staff and students. The latest information will be posted on the PTO website at [www.cooperpto.org](http://www.cooperpto.org) or @CooperMiddleSchoolPTO on Facebook. Please also check out current volunteer opportunities at the Sign-Up Genius link on the PTO website or email [membership@cooperpto.org](mailto:membership@cooperpto.org) to be included on future correspondence concerning PTO volunteer opportunities.
